Merry Christmas to You

by Imogene Nelson

A Very Merry Christmas to you and yours!

Silsbee Woman's Club will meet at the Community Center Thursday, December 11th at 3:30pm. The Education Department has a great program planned. Debra has already been busy she solicited donations, bought children's books and gave them to children who visited Santa's House at the Christmas Festival.

A sincere thank you goes to all who donated for our booth at "Christmas in the Big Thicket" and worked at the booth on Saturday. A big thank you to Mary Kay for getting everything organized. I hope we have sold all our "Historical Calendar" by now. This is our major fund raising project for the year.

Remember to get your "antique" glass wear to Sherry at the Chamber office for a

picture. The Arts Department has an "Antique Road Show" planned for our February meeting and the "expert" needs to do her homework to tell us if our glass is valuable. This will be lots of fun.

Remember our "Adventure of the month" for February is to go see "Rat Pack" at the Julie Rogers Theatre on the 10th. Tickets are \$27.00. Eight have signed up to attend. We may go out to dinner before the production.

Our Victims Assistance project for December is to bring food. Mary Kay took our last donations to the center. They told her when their closet was almost empty, SWC came in with donations that were really needed, and they were very

much appreciated.

Our sympathy is extended to Dorothy M. in the loss of her sister and Jean L. in the loss of her brother.

WELCOME to two new members: Emily Holt and Mary Jacks. Emily has been in the hospital. We pray she is on the way to good health soon.

I know this is a busy time of the year but hope you can make SWC Thursday at 3:30pm. My thanks goes to Jeanette for taking over for me as I will be out of town for the week but I will think of you.

Happy Holidays to all!

The Rat Pack is Back!

This spirited tribute recreates one of the famous "Summit at the Sands" hotel shows, when the swingin, ring-a-ding group known as the "Rat Pack" was creating hipster legend with a free-wheeling, no-holds-barred nightclub act.
