

WOMAN'S CLUB NEWSLETTER

MARCH 2008

Many Congratulations

by Dorothy Modisette

What an exciting month for Silsbee Woman's Club! For the first time in the history of the club we will have a member installed as president of Magnolia District. We are so proud of Hazel Scruggs for accepting this huge responsibility. Along with the honor there is tons of work for her to do. She has been working on filling her slate of officers, Department Chairmen and Committee members. Also she has been setting up meeting dates and sites for Magnolia District Conventions and Board meetings for the next two years. She has been one busy lady for about six months. Please support her in every way that you can. First support her at the District Convention in Kirbyville at the Central Baptist Church on March 20th. Let me

know before or on our meeting date if you can attend. The cost will be \$14.00. Hazel will be installed as President at this meeting. At this meeting we will be looking forward to winning many awards for last year's excellent programs and projects.

Many thanks to the Arts Department for their program on the inner workings of the Entertainment World. We thank Sylvia Fleener for bringing Marty Marlow to speak to us on every facet of Broadway. He has been involved in all areas of entertainment in New York, New Orleans and Houston.

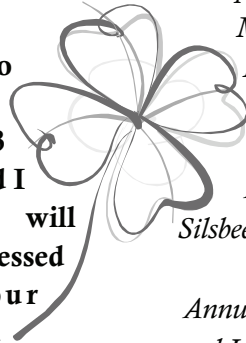

The Finance Committee will have recommendations at our next meeting as to how to distribute our funds.

There will be a sign-up sheet for next year's Departments and Committees. You must sign up for both

Departments and committees.

Texas Heritage Department will be in charge of the program. They will present a program on "Century Old Court Houses in Texas." We will meet again in the Community Center as the ceiling has been replaced.

Hope to see you March 13 at 3:30 and I hope you will come dressed in your denim and celebrate being a full-fledged Texan.
