Another Successful Start

by Hazel Scruggs

Our president, Dorothy Modisette, had successful surgery at St. Elizabeth Hospital on Tuesday, September 18, on her broken left wrist. She has been in a lot of pain and feels helpless. As soon as she feels strong enough to travel, she will go home with her son, Robert.

Imogene Nelson, our president-elect showed us at the September meeting what a great job she will do as our next president. Thanks, Imogene!

Our club is off to a very good start for another successful year. Our Holiday Bazaar and Christmas Home Tour is November 10, 2007, 10 a.m. to 1 p.m. I appreciate all your hard work and your sharing your talents. Our club is fortunate to have each of you as a member. Everyone takes his responsibilities to heart and that is what makes a successful club. If you have not received your tickets for the Bazaar and Home Tour, you may get them at this next meeting. Tickets for the quilt will be available also.

Thanks to the Conservation Department for a very interesting program in September. The Park Ranger did a great job and our club has put the book she suggested in the library in her honor.

The International Affairs Department will be in charge of the program in October. It is entitled "Are You Fluent in Chinese?" Well, you will just have to come to the meeting to find out what this is all about. The meeting does not need to be a closed meeting since we have no prospective new members to vote on. We will be greeting a past member back in our fold as Peggy Jones Epps has indicated that she wishes to return as a member.

The Magnolia District will meet in Dayton on Thursday, October 18 for the Fall Board Meeting. Think about joining us for this meeting. As I told you in September, I will be taking the job as

President-elect of the district for the next year and will be preparing to become president in June, 2008. Sue Johnson has agreed to be the district secretary. I will need help from all of you. If you feel that you can be a chairman of a department or any of the many positions available, please let me know. I cannot do it without you.

See you on Thursday, October 10, at 3:30 at the Community Center.
